

**MYSTIK® PRECISION BLUE® MARINE
WHEEL BEARING GREASE EP**

Date 01/05

DESCRIPTION:

Mystik® Precision Blue® Marine Wheel Bearing Grease EP is recommended for boat trailer wheel bearings, greased chassis points, fifth wheels, and water pumps. This product provides excellent protection against extreme pressures, shock loading, and vibration. It is fortified with additives to resist rust, oxidation, and wear. Mystik® Precision Blue® Marine Wheel Bearing Grease EP provides superior protection and water washout resistance. This product is not recommended for use in automotive disc brake wheel bearings.

FEATURES:

- Excellent grease for the marine industry
- Excellent protection against extreme pressures, shock loading, and vibration
- Fortified with additives to resist rust, oxidation, and wear
- Highly water washout resistant and water insoluble
- Excellent adhesion enables this grease to stay in place better than most other greases

APPLICATIONS:

Recommended for boat trailer wheel bearings, greased chassis points, fifth wheels, and water pump.

TYPICAL PROPERTIES:

MYSTIK® PRECISION BLUE® MARINE WHEEL BEARING GREASE

Material Code	665030002
NLGI Consistency Number	2
Thickener	Anhydrous Calcium
Texture	Smooth, Adhesive
Color	Blue
Worked 60 Penetration, ASTM D 217	265-295
Dropping Point, ASTM D 566, °F. (°C.)	290 (143)
Oil Separation, ASTM D 1742, % loss	Less than 1
Rust Prevention, ASTM D 1743, rating	Pass
Oxidation Stability, ASTM D 942, psi drop	5 @ 100 hours
Timken OK Load, ASTM D 2509, lb.	50
Approximate Application Temperature Range, °F. (°C.)	0 to 250 (-18 to 121)
Base Fluid Viscosity @ 100°F., SUS	Over 2000
Viscosity Index	125 Minimum
