

CITGO LITHOPLEX® RT GREASES

Date 09/16

DESCRIPTION: The CITGO Lithoplex RT Greases represent the latest technology in greases. They are premium quality lithium complex greases suited for a wide variety of industrial and automotive service applications including chassis and wheel bearings. These extreme pressure greases are recommended for use across several industries that include on-road, off-road and industrial applications.

QUALITIES: CITGO Lithoplex RT Greases are multipurpose greases incorporating the following characteristics:
Excellent Work Stability – Extremely stable lithium complex formula retains its consistency even in the most severe service.
Extreme Pressure and Anti-Wear Protection – Additives provide excellent extreme pressure and anti-wear protection under severe conditions.
Corrosion Protection – Lithoplex greases resist corrosion, thereby extending equipment life. This is of particular importance in applications where moisture is present.
Oxidation Resistant Formulation – Lithoplex greases contain oxidation inhibitors to extend grease life and protect the application for longer periods.

APPLICATIONS: CITGO Lithoplex RT Greases provide excellent performance in applications where good adhesion and water resistance are critical. Their red color and tacky, moly-free formula make them ideal for many problem applications. They are excellent for use in many industrial, agricultural, and automotive applications. Consult owner’s manual for proper lubricant selection.

APPROVALS: Mack MG-C

TYPICAL PROPERTIES:

CITGO LITHOPLEX® RT GREASES

Product	Lithoplex RT1	Lithoplex RT2
NLGI Grade	1	2
Material Code	655343001	655344001
Worked 60 Penetration	310-340	265-295
Grease Type	Lithium Complex	Lithium Complex
Color	Red	Red
Texture	Smooth, Adhesive, Buttery	Smooth, Adhesive, Buttery
Four-Ball Weld, ASTM D 2596, kgf	250	250
Four-Ball Load Wear Index, ASTM D2596	48	48
Four-Ball Wear, ASTM D2266, mm	0.42	0.42
Rust Protection, ASTM D1743	Pass	Pass
Water Washout, 175°F, ASTM D1264, % Loss	5.3	2.0
Dropping Point, ASTM D2265, °F	500	530
NLGI Certified, ASTM D4950	GC-LB	GC-LB
Viscosity: 40°C, cSt	500	500
