

CITGO® SUPERGARD® European Formula Motor Oils

OVERVIEW

- Premium quality, high-performance full synthetic oils specially formulated for use in certain European vehicles.
- Well balanced combinations of today's highest quality synthetic base stocks and advanced additive systems provide superior performance and protection under the most demanding driving conditions.

FEATURES & BENEFITS

- Excellent low-temperature starting and pumpability characteristics.
- High-temperature/high-shear properties superior to those of conventional oils.
- Extended drain interval capabilities.
- Lower volatility when compared to conventional oils.
- Excellent thermal and oxidation stability.
- Enhanced protection against varnish buildup and sludge formation in critical engine parts to provide top performance and long engine life.

APPLICATIONS

- For use in certain Audi, BMW, Mercedes Benz, Porsche, Volkswagen, and other European vehicles.
- Recommended for use in the following applications
