

**CITGO LITHOPLEX® RT GREASE 2.5**

Date 03/18

**DESCRIPTION:** CITGO Lithoplex RT Grease 2.5 is a premium quality lithium complex grease suited for a wide variety of industrial and heavy duty applications including chassis and wheel bearings. This extreme pressure grease is recommended for use across several industries that include on-road, off-road and industrial applications.

- QUALITIES:**
- **Excellent Work Stability**
  - **Extreme Pressure and Anti-Wear Protection**
  - **Corrosion Protection**
  - **Oxidation Resistant Formulation**

**APPLICATIONS:** CITGO Lithoplex RT Grease 2.5 provides excellent performance where good adhesion and water resistance are critical. Its red color and tacky, moly-free formula make it ideal for many problem applications. It is excellent for use in many industrial, agricultural and heavy duty applications.

Consult owner's manual for proper lubricant selection.

**TYPICAL PROPERTIES:****CITGO LITHOPLEX® RT GREASE 2.5**

|  |                           |
|--|---------------------------|
| Material Code                          | 655348001                 |
| NLGI Grade                             | 2.5                       |
| Worked Penetration, ASTM D217          | 255-285                   |
| Thickener Type                         | Lithium Complex           |
| Color                                  | Red                       |
| Texture                                | Smooth, Adhesive, Buttery |
| Rust Prevention, ASTM D1743            | Pass                      |
| Four-Ball Wear, ASTM D2266, mm         | 0.6                       |
| Four-Ball EP Weld, ASTM D2596, kgf     | 250                       |
| Approximate Temperature Range, °F (°C) | 0 to 325 (-18 to 163)     |
| Base Oil Viscosity: 40°C, cSt          | 500                       |
